

Associated membership

Companies or company groups with social seat within the EEA (European Economic Area) can become an associated member of Centexbel on the condition of payment of the annual membership contribution.

The Centexbel direction reserves the right to refuse candidates or to cancel any existing membership.

Member benefits

- **Membership discount** on testing and consulting orders according to the conditions mentioned in the official pricelist
- Membership is a necessary (but not sufficient) **condition** to participate in collective research projects
- **Membership fees** for seminars, conferences and events
- **Newsletter** "Centexbel INFO"
- You are involved in the **standardisation activities** of Centexbel

Conditions

- The membership fee is € 500 (< 50 employees) or € 1250 (> 50 employees) per juridical entity.
- The associated membership is tacitly renewed. Cancellation shall proceed in writing at least 3 months before the end of the current working year. In the event of cancellation, the contribution will be considered as being definitely acquired by Centexbel.
- The associated membership of a company cannot be transferred.
- A membership started in the course of the running fiscal year does not involve any retroactivity concerning membership discounts on previously performed testing and consulting orders.
- Centexbel has the right to make your affiliation public.
